

Dear Faithful Supporters,

Greetings from Brazil as we endeavor to fulfill (Acts 20:24) "...So that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God" (great verse, isn't it!) 🙏

We have enjoyed a busy spring with meetings in CA, NV, AZ, FL and now, Brazil. We are preaching here for a month with a week and a half to go. What an adventure as we preach from church to church using a translator from English to Portuguese. The Saints are a blessed encouragement to us! They are so friendly and kind. The unsaved are very hard to reach here as it is in most European heritage countries.

This is our fifth time preaching in the São Paulo area of south east Brazil. Last night a man approached me after the service to remind me that he was saved under our ministry in 2019. He has continued faithful to our Saviour since! Oh, how that encourages us to GAMBATE (Japanese for "Keep on keeping on"). Last week we saw a 35 year old man named, Pedro, come gloriously to our Christ. I shared the gospel with him using a translator for over an hour! What a blessed conversion! Please pray for the remaining meetings here until our departure on May 6.

When we return to Florida, we have only two days home before flying to Budapest, Hungary. We will work with

dear pastor friend, Zoltán Kiss (pronounced, “Keish”). We will preach for 3 weeks in four different churches all located in the greater Budapest area. Pastor Zoltán has rented a large hall for a five night campaign on the theme of “PEACE”. Many invitations and much advertising has been invested in this meeting. Please pray that many unsaved will come and that they may experience PEACE with God. This will be our fourth time ministering in Hungary.

We will travel on to the country of France to preach a week at Bible Baptist Church in the city of St. Gaudens, near Toluse (near the border with Spain). This is our fourth time to work with MK and veteran missionary, David Price and his wife Melissa. Please pray for French souls to hear the gospel of our Christ and receive Him.

After France, we move on to Great Britain and preach for two weeks in two churches (but only the two Sundays). One of those, you may remember is West Basingstoke Baptist in the western London area. We spent all December 2022 ministering there. Pastor David Ellsmore invited me to preach the church’s 48th Anniversary celebration. He is the FOUNDING pastor and has been faithful to preach the Word of God there almost five decades! The next week we preach in the city of Leicestershire in central England. The American pastor’s name is Tom Britten (get it?).

Our next Summer letter will have reports of these

upcoming foreign labors. We thank God for you dear supporters and your prayers/funding! May God truly conquer the hearts of these Brazilians, Hungarians, French and British souls!

Your Missionary Evangelist,

Randy and Grace Chovan
